Historical Society Program by Dr. Nash Boney

Nash Boney earned his undergraduate degree in science at Hampden-Sydney College. After graduation, he served in the Army during the Korean War and was stationed in Germany as part of the Counter Intelligence Corps. It was there that he discovered his passion for history. He used the G.I. Bill to earn his Ph.D. in history at the University of Virginia.

Dr. Boney began his association with the University of Georgia in 1968 and became a full professor in 1972. He retired in 1994 but continues to share his extensive knowledge in lectures like this one.

He has written many books, including "The University of Georgia Trivia Book" and "A Pictorial History of the University of Georgia," which was first released in 1985 for the university's bicentennial. He was also commissioned by President Jimmy Carter to write "A History of Georgia." All interested are welcome to attend.
