

DISPLAY MATERIALS POLICY

For Piedmont Regional Library System

Approved by Piedmont Regional Library System Board of Trustees, October 2023

Many libraries provide places for posting of local information for the purpose of education and information. These places to post information are available for organizations engaged in educational, cultural, intellectual, or charitable activities. Libraries in the Piedmont Regional Library System *may* accept materials that are:

- Non-Partisan
- Non-Sectarian
- Not of a commercial nature aimed at private gain or advantage

All postings must be approved by the Library Manager. The Library reserves the right to refuse to post materials based on available space. The Library does not endorse or advocate for the viewpoints of organizations that post materials. Questions or concerns regarding displayed materials should be referred to the Library Manager, and may be considered using the form and process within the Piedmont Regional Library System Materials Selection Policy. This Policy also applies to electronic bulletin boards and is in effect for the following library locations: Auburn, Banks County, Braselton, Commerce, Harold S. Swindle (Nicholson), Jefferson, Statham, and Winder. Refer questions and concerns for any other library in the Piedmont Region to that library's primary funding agency.
